

MOTION BY SUPERVISOR MICHAEL D. ANTONOVICH  
AND SUPERVISOR GLORIA MOLINA

NOVEMBER 5, 2008

**UTILITY USERS TAX – MEASURE U**

On Tuesday, November 4, 2008, the unincorporated area voters of Los Angeles County overwhelmingly agreed that services to the unincorporated residents of the County are a high priority. The voters approved Measure U, which continues the utility users tax for essential services such as law enforcement, park and library operations, street repairs, community services and infrastructure, targeted in the unincorporated areas of the County.

In order to ensure that we abide by this voter mandate, funds resulting from the collection of the utility users taxes, both in the past and prospectively, should be available to improve services to residents who live in the unincorporated areas.

**I, THEREFORE, MOVE** that the Board of Supervisors direct the Chief Executive Officer to report back in the FY 2009-10 proposed budget with a plan to spend the utility user tax revenues in accordance with the intent of Measure U, which are services dedicated to the unincorporated area.
